Kelli's Steps School of Dance

By: Kayla Riegler

Kelli's Steps School of Dance is home to some of the rising talent here in Vanceleave. Kelli Dickens has been dancing for close to forty years and has been training young performers all over the coast for twenty-nine of those.

Kelli opened her first dance studio when she was nineteen years old out of a garage and currently has dance studios in Biloxi and Vanceleave. She started planning the studio in Vanceleave in 2003. When Hurricane Katrina put the Biloxi studio temporarily out of business, the Vanceleave studio quickly came to be.

Kelli's Steps offer classes in jazz, tap, ballet, hip hop and other performance arts. She tries to set her studio and performances apart from others by creating the allusion of a broad way show for the audience; her students are giving side lessons in stage performance so it's not just a recital, it is the full package.

Kelli and her performers have received many awards and honors throughout the years including representing the state of Mississippi at the Dance Excellence for the Performing Arts in California.

Director – Kelli Dickens

Kelli's dedication to her passion and sharing it with her students has earned her the 2007 Dance Education Teacher of the Year and the key of Biloxi.

Dickens is very active in the communities and community service among Vanceleave and the coast; the studio has put on the Christmas show for the Vanceleave Merchant's Association and has participated in the Vanceleave parades.

Kelli's love for dance has lead her to become a part of S.T.E.P.S (Supporters To Encourage Performing Stars) which is a non-profit organization that gives scholarships to performers along the gulf coast to train in the performing arts; the organization holds global workshops and has special appearances from celebrities like the dancers of Hannah Montana.
